Parade Organizer: Leah Thomas, leah@argylebia.com

1. You may dress up as elves but we ask that **no one dress up as Santa Claus or Mrs. Claus**, we don't want to take away from the finale!

2. Your entry should be made of durable materials and properly secured so that they can withstand wind, rain and/or snow conditions.

THERE IS NO RAIN/SNOW DATE, PREPARE FOR ALL WEATHER

3. The **minimum** number of decorations for all entries are **at least 3 items** that can be identified as such.

4. Ensure that your entry's decorations are **appropriate for all ages**.

5. Floats with generators must have a fire extinguisher. All flammable materials must be **at least 3ft away** from the generator, this will be checked on parade day.

6. Candy and flyers, with permission from the parade organizers, may be distributed to spectators along the parade route.

You MUST NOT throw anything at the crowds. Non-compliance will not be tolerated.

7. To prevent large gaps in the parade, please try to stay at a **consistent low speed** no higher than **7 kph** and keep the vehicle ahead of you a school bus length away.

AT NO POINT during the parade are drivers to leave their vehicles. It is a safety risk.

8. Floats are encouraged to have music but make sure that the music can **be heard by both sides of the road**.

9. All entries with live animals must notify the parade organizer at least **ONE WEEK** before the parade and provide a clean-up crew to follow.

10. **FLOAT/ENTRY ORGANIZERS MUST COMMUNICATE THESE RULES WITH DRIVERS AND ALL PEOPLE INVOLVED ON PARADE DAY.**
